

Traversing Bases

Western-Cullen-Hayes' Traversing Bases permit the horizontal movement of heavy loads while they are being lifted vertically. These bases are designed to be used with Western-Cullen-Hayes, 25 or 50 ton hydraulic jacks.

Model	Part	Capacity (Rated) Tons	Travel Inches	Overall Height Inches	Overall Length Inches	Overall Width Inches	Weight Pounds	Lever Bar Inches
1-B	J-3412	25	15	3-3/4	29	10	80	7/8 x 28
1-1/2 - B	J-3413	35	14	3-3/4	29	12	90	7/8 x 28
2 - B	J-3414	50	18	3-3/4	34-3/8	14	110	7/8 x 28
